

## Perfect 420TV Lines Imitate Smoke Detector Color CCD Camera

| Specification         | TVC-SD342                            |
|-----------------------|--------------------------------------|
| Image Device          | 1/3" Sony CCD                        |
| Number of Pixels      | PAL: (H)500 x (V)582                 |
| Sync System           | Internal Synchronization             |
| Horizontal Resolution | 420 TV Lines                         |
| Lens                  | f:3.6mm (Options lens available)     |
| Video output          | 1Vp-p 75 Ω, BNC                      |
| Audio output          | No                                   |
| S/N Ratio             | More than 48dB                       |
| Minimum Illumination  | 0.5 Lux, F:1.2                       |
| Electronic Shutter    | PAL: 1/50~1/100,000 Sec              |
| White Balance         | Auto white balance                   |
| Power Consumption     | 280mA 12VDC (Regulated Power Supply) |
| Operation Temperature | -10°C ~ + 50°C, RH Below 85%         |
| Storage Temperature   | -20°C ~ + 60°C, RH Max 95%           |
| Color                 | White                                |
| Size                  | (Dia.)110*55mm                       |
